
Prepare a Gospel Talk

Understanding the logic of the gospel is the core of systematic theology. By teaching the gospel, Apprentices are integrating their understanding of Christian doctrine.

Exercise

Prepare a talk on the gospel, using the Two Ways to Live framework.

Aims

1. To understand the doctrines of creation, sin, judgement, the atonement, resurrection and faith
1. To grasp the logical connections between these doctrines

Apprentices

1. Do some Bible study on the doctrines of creation, sin, judgement, the atonement, resurrection and faith.
1. Learn the Two Ways to Live framework.
2. Prepare a 10 minute talk on the gospel.

Trainers

- Point your apprentice toward key Bible passages, and discuss them if necessary.
- Observe talk and give feedback.
